He is launching Soutab Co. in the summer of 2021 in Philadelphia to share the Haitian culture through food delivery.

WeWork & Bunker Labs are thrilled to be supporting these veteran and military family entrepreneurs as they work to take their ventures to the next level.
WeWork & Bunker Labs are thrilled to be supporting these veteran and military family entrepreneurs as they work to take their ventures to the next level.

**ADAM LERNER, ARMY, MILITARY FAMILY MEMBER**

**CLEARCUT HEALTH:** A social networking database of local healthcare providers’ information aimed at enhancing transparency and affordability of quality care for self-pay individuals.

Adam Lerner’s extensive experience as an RN in a variety of medical settings led him to start ClearCut Health in 2021, to aid his community by bridging the gap between the uninsured or underinsured and the cost of healthcare. He lives in Austin, Texas.

**ADRIANNE COWARD, ARMY**

**MONARCH PATIENT ADVOCATES, LLC:** Helps clients navigate the healthcare system to get their medical needs met by providing them resources.

Adrienne Coward will be retiring from the Department of Defense after 22 years of service working as a registered nurse. She is currently working as a RN Patient Advocate at Monarch Patient Advocates as the CEO. Her goal is to successfully grow her business nationwide.

**CHARMELLA DANIELS, ARMY**

**BATES & BOYS TRUCKING LLC:** Helps companies who need small but heavy loads moved quickly. The company is capable of quick and effective movement of small freight across the nation. We give the pickup a whole new meaning.

Charmella became a public notary and then on to being a loan signing agent. She is now starting her new company, BIIN, where she intends to unite her community by educating.

**CHASE HOBBY, NAVY**

**VRB LABS:** A CBD brand for the modern wellness consumer. VRB Labs is purpose-built to deliver the most approachable and highest quality products via a compelling brand.

After 10 years as a Naval Flight Officer, Chase got his MBA from Wharton where he met his co-founder and launched VRB. They are currently in the start-up phase and poised for rapid growth.

**JOANA LINARES, MILITARY SPOUSE**

**ENUMERISTA LLC:** Offers guidance and training to those who want to handle their own day-to-day bookkeeping but want to know somebody is there to help when they need it.

Recognizing the need for small business owners and startups to gain confidence in their finances, Joana launched Enumerista.

**LUKAS SIMIANER, ARMY**

**CLUSIVE, INC:** Using IoT, 5G, Smart City, Cybersecurity to solve problems and make things better.

Lukas Simianer is an experienced leader, software engineer, and digital accessibility advocate. Lukas’s experience has given him the skill to lead RavensEye in its mission.

**MARIA BROWN-SPENCE, ARMY**

**HEARTS 2 HEAL:** Hearts2Heal is on a mission to promote grief education, exploration, and expression in both practical and creative ways; for people of color and the military community.

Maria Brown-Speece is a Service Army and Experienced Public Relations and Marketing Professional. She has a B.S. in Advertising/Public Relations from Texas Wesleyan University full time.

**OLEG FAR'DANOV, ARMY**

**ISMELL LLC:** A protective phone case with a distinct smell. Made from eco-friendly, non-toxic materials.

Oleg has been in the US Army, has an MBA, 2 successful service businesses (both sold), and is now full time on Ismell project.

**TERESA GUERIN, AIR FORCE, MILITARY SPOUSE**

**THE PRODUCE SQUAD:** The Produce Squad conveniently delivers fresh produce to the doorsteps of its neighbors. The Produce Squad aims to provide meaningful work by reducing barriers to employment often faced in the military community.

Teresa Guerin created a fresh produce delivery service in 2020, in the midst of a pandemic. Eleven months later, The Produce Squad is ready to scale its operations into the larger San Antonio area.
WeWork & Bunker Labs are thrilled to be supporting these veteran and military family entrepreneurs as they work to take their ventures to the next level.

Masako Mai is a Mindfulness Performance Coach reaching and assisting women in ending stress and burnout by motivating, empowering, nurturing, teaching, optimizing, and reinforcing.

**MUDASSAR SAYEED, AIR FORCE**

**PROXII:** A B2B trading platform, connecting manufacturers, and wholesalers with buyers. Proxii has the ability to connect hyperlocal products and global manufacturers. We help build trust between buyers and sellers, we vet both sides.

Mudassar Sayeed works on various projects from retail, shipping, logistics, e-commerce, travel, healthcare, financial, and insurance industries.

**HEATH JORDAN, AIR FORCE**

**TEND AND TEMPLE, LLC:** Blending naturally-derived, plant-based extracts with the latest and scientifically advanced skin treatment formulations, Tend and Temple puts effective, safe, and simple skincare within reach for all.

Heath is working to change the narrative on how people buy and use skincare. He launched Tend and Temple, a startup that will work with skincare professionals to develop solutions that treat imperfections and restore confidence.

**JENNIFER (JENA) APGAR, AIR FORCE, MILITARY FAMILY MEMBER**

**LEADFLOW365:** LeadFlow365 finds, researches, and closes leads for B2B businesses leveraging the Facebook and Google APIs to streamline the process. Your manual sales pipeline that used to take weeks can now be completed in 1 hour with semi-automation.

Jennifer Apgar has an intense passion for growing businesses. She coaches and speaks but her heart lies in implementation.

**MAKIN HAMZAH, ARMY, MILITARY FAMILY MEMBER**

**A.I.C PUBLICATIONS:** Publishes physical and digital media designed for the underserved African American educational services and literary marketplace. The company offers solutions to community issues through creative, engaging methods.

Makin Hamzah uses his leadership gained from experience of the past fifteen years working in multiple industries as an Electrical Engineer.
DENVER 2021-B

ANITA JOSHI, MILITARY SPOUSE

**CHAI FIVE ORGANICS**: Chai Five Organics is a health & wellness brand dedicated to helping you upgrade your daily rituals with better-for-you coffee alternatives and latte blends. Our signature blend is our chai superlatte, consciously crafted with clean ingredients & ancient superfoods to enhance mood, mind, & energy.

Anita Joshi connected with local spice farmers to start a business with her family’s chai recipe. Each purchase helps create change by supporting education and community resilience.

JESSICA NETZEL, AIR FORCE

**NETZEL FARMS**: Netzel Farms is an organic practice, urban, bio-intensive vegetable, fruit, and herb farm. Netzel Farms desires to start selling medicinal teas. Depending on the success, Netzel Farms may launch a separate herbalism business.

Jessica Netzel decided to learn how to farm and quickly fell in love. She started Netzel Farms in 2019 and due to 7 knee surgeries has needed to adapt her business model to herbal teas and branching in to the herbalism business.

TRI TRINH, AIR FORCE

**T2 CO**: An Information Technology Project Management/Consulting, innovation fusion and commercialization company. We enable, engage, and empower technology, innovation and human potential.

Tri and his wife started T2 CO in September 2019. His is now working on a second contract and close to launching a commercial product.

WADE WITTROCK, AIR FORCE

**MANGATA LIFESTYLE LLC**: Manufacturing Luxury next-gen underwear for men that’s eco-friendly and made in the USA. My designs and next-gen fabrics are better than anything the other 600 underwear brands are using worldwide.

It’s all about getting to the finish line within time and budget, legally and ethically. Sometimes that requires Wade Wittrock to think creatively because everything has room for improvement.

ROBERT LASHBOOK, MARINE CORPS

**TEMPUS FORGE, INC.** Legacy Lantern helps seniors and terminally ill patients easily create cloud based digital time capsules that automatically unlock at future dates or LOCATIONS specified for friends & family.

Passion, commitment, and integrity are what define John Lashbook as a person, and they’ve also defined his career. Now, as an entrepreneur, John is able to follow his passion.

RACHEL WILLIS, ARMY

**OUTPATCH 3LC**: Providing travelers a simple and effective way to give where they go through the sale of machine-washable stick-on patches. Each Outpatch is designed by a local artist and 50% of the proceeds benefit grassroots organizations of the place it represents.

Rachel Willis co-founded Outpatch which launched on February 25th. At Outpatch, Rachel is the co-founder and Head of Growth, leading all things marketing, sales, and product.

SARAH BOYD, MILITARY SPOUSE

**AIR & ROOTS LLC**: A publishing company dedicated to launching beautifully designed books that combine inspired illustration and feel good messaging for both caregivers and kids.

Sarah Boyd is currently raising her 2 amazing kids and preparing to launch her first children's book - hopefully the first of many.
AARON KINZEL, MILITARY FAMILY MEMBER

INNOVATIVE SUPPLIES WORLDWIDE, INC
Innovative Supplies is manufacturing stationery notebooks with sustainability infused into our product offering. Nneka Brown-Massey launched Innovative Supplies, a stationery manufacturing company that sold over 8,000 notebooks to 1,200 customers around the world in the first 24 hours. Nneka is currently working on project to document this journey.

ISA BAKO, MARINE CORPS
BAPOWDER: We harvest, package and sell the most nutrient-dense whole fruit on the planet. The baobab fruit. Born in Wisconsin and raised in four different countries, our founder’s only constant while growing up was change. Change and the yearly Christmas trips to his grandmother’s village in Numan, Nigeria where he found the freedom to roam, and the curiosity to try as many African fruits as possible.

JAMES EDWARD BECTON, ARMY
THE BECTON, INTERNATIONAL BLACK THEATER & ARTS CONSORTIUM: The Becton, International Black Theater (TIBHT) will be a home to devise, nurture, curate, and produce new theatrical tales and stories that showcase and celebrate an often underserved and under acknowledged demographic of people. James Edward Becton is a U.S.A. Veteran, a multi-union affiliated Actor SAG/AFTRA/AEA and a burgeoning Business Owner.

KATHLEEN POINTER, NAVY, MILITARY FAMILY MEMBER
DETROIT GOODIE BAG LLC: We manufacture and distribute handmade jewelry, household and leisure items. We also use digital software such as RhinoGold to make 3D molds for custom pieces. We purchase used metal to mix with new metal and repurpose it to keep it our costs affordable. Upon completion of her sea tour in the Navy, Kathleen Pointer decided to pursue her passion of creating luxury items that she witnessed as a child.

MARCS BERMEO, ARMY
TECHNOLOGY MATCHMAKER: Technology can be as unique as the individuals who use it. For small and mid-sized companies, standardizing on a cost effective scalable solution can be daunting. Our company reviews your current state, learns about your business goals and how you work. We then find the vendor that meets your needs the best. Marcos Bermeo is a highly experienced business and IT specialist, with 20+ years of experience helping clients through their digital transformation process.

NNEKA BROWN-MASSEY, ARMY, MILITARY FAMILY MEMBER
INNOVATIVE SUPPLIES WORLDWIDE, INC
Innovative Supplies is manufacturing stationery notebooks with sustainability infused into our product offering. Nneka Brown-Massey launched Innovative Supplies, a stationery manufacturing company that sold over 8,000 notebooks to 1,200 customers around the world in the first 24 hours. Nneka is currently working on project to document this journey.

RORY BERRY, NAVY
SHIPRIDER MEDIA LLC: Shiprider Media brings together people based on geography and location to overcome the problem with stale data in decision-making. Rory Berry is a problem solver and team builder with particular passion for tech, marketing, sustainability, and data science.

SEM DUCATL, MARINE CORPS, MILITARY SPOUSE
DUVILEX LLC: Partnering with industry leaders in a wide range of sectors to meet all of their re-supply needs. We specialize in procurement, with a mission to provide products at competitive pricing, delivered with superior customer service. We aim to facilitate our clients/agencies with supplies, machinery and other logistical services. Sem is a part-time coffee-drinker and full-time adventurer. Sem launched “Duvilex” to tackle/simplify the complex supply chain puzzle.

ALTON WEEKES, NAVY
CELLFUL LLC: An holistic company, where we focus on nourishing the whole body. We do this through our cold press juices, bitters, herbs, tea blends and sea moss gels that detox, cleanse, heal and nourish your body systems. Alton Weekes’s was trained as a chef in the US Navy, so when the 2020 pandemic hit and everything public was closed, he shifted gears and created Cellful Organics LLC. Today he is expanding and growing Cellful 1 juice at a time.

WeWork & Bunker Labs are thrilled to be supporting these veteran and military family entrepreneurs as they work to take their ventures to the next level.

WINY ANTOINE, ARMY

SOUTAB CO: Soutab Co is a virtual restaurant group that is building different restaurant concepts inspired by Haitian cuisine through ghost kitchens. By ditching in-house dining, Soutab focuses exclusively on food quality and delivery to delight customers wherever they please to have their meals.

Winy Antoine is a visionary leader with an entrepreneurial approach to business growth, building strategic global partnerships and bridging multicultural communication gaps.

BRENDAN ARONSON, MARINE CORPS

PAINTRU LLC: Paintru elevates your favorite photos memories into hand-painted works of art. After 6 years in the Marine Corps, Brendan completed an MBA at The Wharton School of Business. He declined a full-time offer of employment from Goldman Sachs to pursue entrepreneurship.

DANIEL LEE, ARMY, MILITARY FAMILY MEMBER

FARINA PASTA AND NOODLE LLC: Farina Pasta and Noodle is a delivery and takeout only restaurant that serves handmade pasta and fresh sauce. We allow the customer to customize their food by picking their choice of pasta, sauce and add ons. Daniel Lee and his business partner launched Farina Pasta and Noodle in 2020 and hope to grow it in to a chain of restaurants.

KEVIN FRAWLEY, ARMY

OUTSOURCED MBA: A business project management firm designed to help companies with small and medium sized business projects. Offering a wide spectrum of available services, the organization can be plugged into any function where a business needs assistance.

Kevin Frawley is a proven leader with extensive experience in Project and Operations Management. He is a genuine motivator and attentive planner who successfully leads international teams of all sizes.

MELISSA ADAMSKI, ARMY

MYLA ASSISTANT, PBC: MYLA is a personal assistant service for military service members and families that completes mundane tasks in order to enable customers to focus on things that are most important to them. It uses human-machine collaboration to provide personalized efficient service.

Melissa Adamski is a visionary leader with experience developing and managing organizations from team to strategic level in fast-paced environments.

JASMIN CRUZ, MILITARY SPOUSE
MILSOMUSTER LLC: Mobile app that supports and empowers military spouses and family members. Jasmin has a degree in criminal justice and has worked in the legal field for years before becoming a military spouse. After becoming a military spouse, she realized the challenges that military families face daily and created Milsomuster. Milsomuster’s mission is to now empower military families and spouses every day.

JOSH SCHRAEDER, MARINE CORPS
HERNDON LEGACY PARTNERS, LLC: A search fund with the goal of acquiring and running one well positioned company. We seek to carry on the legacy of the founding owner and take the company to new levels. Josh Schraeder is battle tested, results oriented and a process driven leader with experience across operations, supply chain management, FP&A, business analysis and financial modeling.

PATRICK SIMON, ARMY, MILITARY FAMILY MEMBER
HIRESCALE: HireScale supports the ongoing mobility of recruiters via an online marketplace that makes it insanely easy to be matched with employers looking to scale their workforce. For employers, it is a platform to find the best, pre-screened and vetted recruiters to flexibly meet their hiring needs, while representing their company’s brand and culture. Patrick is a US Army Veteran, Engineer & Scrum Master at Box, Co-Chair of the Box Veterans Employee Resource Group, Veteran Mentor & Advocate.

SOELY SANCHEZ, MARINE CORPS
MODA SURFBOARDS: Moda sells surfboard blanks called Moda Core that have new technology that allows them to flex like snowboards for variable-rocker. Variable-rocker makes them easier, safer, more durable, and more environmentally responsible. Brenton Woo founded Autonatom snowboards out of the back of his car in Tahoe. In 2016, he applied his experience in snowboard technology and manufacturing to invent and patent a way to make surfboards flex like snowboards.

BRAID STREET LLC: Provides hairstyles to Afro-mixed races in the San Diego area. We use hairstyling to provide a safe space for conversations such as mental health and the current state of the world; concerning racial tensions and how we’re doing our part. Soely is a Brooklyn, NY native and a Marine Corps Veteran who combined her hair-braiding skills and her Business degree to form Braid Street LLC.

DANIEL MURPHY, ARMY
DNP MANAGEMENT, LLC DBA OATH HOMECARE: Oath helps Veterans and Surviving Spouses that want to age comfortably at home by assisting with benefit navigation through a marketplace for in-home service providers and caregivers. Daniel Murphy brings over 25 years of progressive leadership experience in military operations and community-based care to Oath.

LOWELL STADELMAN, ARMY
FLASHMONKEY INC.: Our primary value hypothesis is not public. We are in stealth mode. It is an enhancement from betaA with a high growth curve.

Lowell Stadelman has over 14 years of technology development, and 20 years of military service in Special Operations with the majority of time in communications.

MICHAEL MALONE, ARMY
WE2LINK, INC.: An app to help those with cognitive impairment including Traumatic Brain Injury (TBI) and Alzheimer’s live happier lives. The app focuses on problems around memories and allows someone to easily record the things they want to remember.

Michael Malone was medically retired in 2019 due to a Traumatic Brain Injury and illness. Struggling to recover from the TBI created so much frustration that he decided to build an app to help others cope with everyday living.

SCOTT PATTERSON, MARINE CORPS
CLARIFIED INC. DBA TUMBLE: Tumble invented Smart Laundry and is now changing how the world does laundry. We currently service all of the top property management companies in San Francisco by providing smart laundry machines for apartment buildings.

Scott Patterson pivoted to the private sector in 2013, working on international investigations for a technology company and in online fraud at Facebook before becoming a private investigator.

BRANDON CHILDERS, MARINE CORPS
FREELANCE CORPORAL: Freelance Corporal is a gamified budgeting Software as a Service (SaaS) that will improve financial literacy using behavioral science.

Brandon Childers’s research on veterans in higher learning illuminated an urgent need for improved resource management among the military community. So, he founded Freelance Corporal - Gamified Budgeting.

EDGARDO LOEZA, MARINE CORPS
LFB VENTURES, LLC: We locate distressed properties and inspire/motivate our clients for an improved quality of life. Providing impactful solutions while actively rejuvenating and improving our community.

Eddy Loeca is dedicated to helping homeowners in distressed situations. Starting regionally he is now working with a group of investors nation wide.

JAMES JONES, ARMY
ARDITO ADVISORS, LLC: For early stage, technology companies, Ardito Advisors LLC provides strategic finance services as interim Chief Financial Officers, Controllers and Senior Accountants.

At Ardito Advisors, James Jones gives CEOs expert finance cover by applying the practices learned through more than 15 years of experience in both startups and public companies.

BETH SUTEY, ARMY, MILITARY SPOUSE
ELIGO INC: We proudly create product video with three Content Kits designed to meet your needs and budget.

Beth Sutey has over fourteen years of management, planning, staff experience, training in transportation operations. She founded Eligo, Inc. in September 2020 and serves as Secretary, Treasurer, and Executive Producer.

WeWork & Bunker Labs are thrilled to be supporting these veteran and military family entrepreneurs as they work to take their ventures to the next level.

**JAKE CORBIN, MARINE CORPS**

**LUXXSHARES, INC. DBA VINOSHARES**: An “Etsy” like marketplace for wineries and wine professionals to sell wine direct to consumers. We’re recreating the tasting room experience online.

While in the Marine Corps, Jake spent time working at a California winery learning everything he could about the wine industry. Through VinoShares, Jake combined his passions for wine and technology to help people gain access to truly exceptional wines while supporting great wineries.

**ELENA LININGER, MILITARY SPOUSE**

**SOURCE ONE SERENITY**: Source One Serenity launches a social enterprise recycling facility to convert food waste to a natural soil amendment and to generate revenue to fund outdoor recreational activities for veterans.

Elena Lininger founded Source One Serenity in providing holistic solutions to improve mental health through land stewardship and outdoor recreation.

**DAVID HOFFMASTER, ARMY**

**HERO HUT**: We seek to empower Veterans to discover a civilian life defined by service and surrounded by community. We seek to create both a physical and digital space for a more cohesive, collaborative, environment that both builds community and provides resources to Veterans and First Responders.

Deciding to pursue his passion for building community through service and camaraderie, David founded Hero Hut with a group of like minded friends and fellow Veterans.

**EVELYN VICARIO, MILITARY SPOUSE**

**BIBIA INTERACTIVE ENTERTAINMENT**: Bibia Interactive Entertainment is solving the way people entertain themselves by developing brands and making interactive and immersive entertainment.

Evelyn and Abegail co-founded Bibia Interactive Entertainment and they are now scaling their company globally. They are developing Oculus games and submitted a pilot project introduction proposal to Comcast.

**ERIKA HATFIELD, ARMY**

**NEXT LEVEL PHOTO EDUCATION, LLC**: Next Level Photo Education provides interactive photography classes online for children, teens, and adults. You can learn how to take better photos with your phone or camera.

Erika Hatfield launched Next Level Photo Education in 2018. She has transformed her teaching business from classes in her home studio to a global classroom online, working with students in over 25 countries.

**JOHN PATTISON, ARMY**

**CULTURED DECADENCE**: A cellular agriculture company developing technology using cell culture and tissue engineering to create meat and ancillary animal products directly from cells. Their system helps address the growing demand for nutritious, safe, and sustainable seafood-based products.

John serves on the Board of Directors of New Harvest, the leading non-profit research institute dedicated to advancing cell-cultured meat technologies.
WeWork & Bunker Labs are thrilled to be supporting these veteran and military family entrepreneurs as they work to take their ventures to the next level.

**Patrick Hawkins, Marine Corps**

P-INC: International Business Consulting & Trade.

After 6 years in the Marines as a supply clerk, Patrick obtained a BA in accounting and began his 18+ career in financial consulting with Arthur Andersen. Patrick launched P-INC Enterprises in 2019 and began working in south America with small business owners and NGO’s.

**Rob Arnold, Navy, Military Family Member**

Pregame Coffee: Coffee shop focused on a sports atmosphere that serves coffee, tea, beer, wine, and cocktails.

After 6 years as a Fire Controlman in the Navy, Rob Arnold worked 18 years in health and wellness, primarily in corporate fitness. He then transitioned into starting a coffee shop.

**Scott Leeper, Marine Corps**

Alpha Lima Charlie LLC: Helping our nation’s veterans release the toxicity in their life, develop a stronger, more positive mindset, reconnect with themselves and their loved ones, lead themselves to greater heights and be able to communicate with themselves and others more effectively.

After 13 years in the Marine Corps, Scott’s career met an abrupt end as he faced depression, anxiety, and chronic PTSD. Scott founded Alpha Lima Charlie where he utilizes a concept known as Veteran Mindset Coaching to help other struggling veterans.

**Shannon Barnett, Army, Military Family Member**

SHANNON INC: Life coaching for Awareness, Acceptance and Choice.

Shannon Barnett’s 27 years working in the Logistics field taught her that it takes dedication, leadership and a true commitment to people first! She is a certified professional coach specializing in Core Energy Leadership, Transitions and Wellbeing for Shannon Inc.

**Scot Walker, Coast Guard, Military Spouse**

PRIVATE INVESTIGATIONS: We help clients reduce loss, remove doubt, and recapture revenue with comprehensive inquiries into compliance or ethical concerns, by identifying fraudulent activity, in defense of white-collar criminal allegations, and through extensive due diligence to vet executives and third-party businesses.

Scot Walker’s mission is to protect his clients by mitigating threats before they’re fatal and reducing loss so his clients can focus on doing their best work.

**Shannon James Zellner, Military Spouse**

WHERE CONTENT CONNECTS LLC: WCC works with leaders to organize the stories of their personal and professional history and present experiences to propel them in the direction they wish to go.

Nikki James Zellner is a Content Strategist, writer and activist - on a mission to change the world through story. Zellner has also turned into a formidable activist, driving key safety changes in Virginia schools through the passage of state legislation.

**ASHLEY RODRIGUEZ, ARMY**

**FREELANCE US LLC:** The first US exclusive freelance platform to compete against Fiverr and UpWork, by connecting US small business owners and nonprofit organizations with US based freelance professionals and expats.

Ashley launched a brand in business coaching, and turned the desire to help other business owners into a self-made freelance marketplace platform to compete against international big names. She continues to push the limits of what is expected, and challenges the status quo.

**BETSEY MERCADO, MILITARY SPOUSE**

**OBJECTIVE ZERO FOUNDATION:** A tech nonprofit that combats suicide by a wireless and web-based app to connect service members, veterans, their families, and caregivers to peer support and resources.

Betsey Mercado has committed herself to making a difference in the lives of Soldiers, veterans, and their families.

**CHERELLE SCOTT, MILITARY SPOUSE**

**DREAMWRITERS CONSULTING LLC:** Offers consultation, program development, training and professional development. We hope to resolve organizational overhauls, training, and development of individuals and corporations.

After working for several companies and seeing the dreams of the employees being stifled, Cherelle Scott established Dreamwriters Consulting to work on organizational overhauling and creating realistic strategic planning to empower entrepreneurship.

**CRYSTAL ROWLEY, AIR FORCE**

**CRYSTAL DOES IT, INC:** Digital Marketing and Graphic Design Services.

After 12 years in the Air Force, Crystal worked as a Human Factors Researcher at the Federal Aviation Administration, Commander’s Action Group Officer at Tinker AFB, Oklahoma, and now she is a Human-Centered Designer at the Department of Veterans Affairs. She founded Crystal Does It, Inc. in 2019 as a way to supplement her income and to stay in tune with her graphic design skills.

**DANIELLE KRAKORA, ARMY**

**IBILITY, LLC:** We help clients accelerate innovation through creative programming such as challenge competitions. We then take the most promising solutions and improve the success and speed to implement at scale.

After nearly ten years in the Army as a combat medic and MSC Officer, Danielle worked for the Department of Veterans Affairs as a leader in innovation and digital transformation. Mastering the art of challenge competitions, Danielle decided to take her passion, skills, and experience to a new level and start her own SDVOSB/WOSB, ibility.

**JULIAN JERZERICK, MARINE CORPS**

**ENZLE ANALYTICS, LLC:** Looking to answer the question of “What is the real estate market doing” for realtors on-the-go by publishing a nine-variable composite index that maps the market better than other measures like months of inventory or absorb rate. No longer do realtors need to depend on stagnant reports provided by third parties; Enzle plugs directly into MLS data and the application is exclusive to realtors.

Julian Jerzerick started Enzle Analytics in order to help realtors understand what the market is doing.

**WeWork & Bunker Labs**
WeWork & Bunker Labs are thrilled to be supporting these veteran and military family entrepreneurs as they work to take their ventures to the next level.

**KATHRYN BASSO, MARINE CORPS, MILITARY SPOUSE**

**KADRI CLOTHING:** All our products are designed to meet the functional requirements of the professional user while maintaining proper fit for women’s diverse shapes and sizes. We aim to fill the current void in female tactical apparel and equipment.

Utilizing experience as a former US Marine Corps Foreign Area Officer with a background in strategic policy, communication, and civil affairs, Kathryn Basso develops apparel and gear with proper fit, practical function and durable design.

**LAVERN SELLERS, ARMY**

**BATTLEBUGGIES TO GO LLC:** BattleBuggies To Go would like to provide employment and career opportunities for all qualified civilian patrons, service members, retirees, and their families by establishing BattleBuggies To Go as the preferred grocery delivery provider of DeCA commissaries.

Lavern established BattleBuggies To Go as an opportunity for himself and others to continue to serve in the form of networking, mentorship upon reentry into society, and ultimately in the form of civilian employment opportunities.

**MELISSA GREEN, NAVY, MILITARY SPOUSE**

**SOUTHERN, SWEET & SASSY:** Southern, Sweet & Sassy helps military spouses reset by providing the needed caffeine fix to have a calmer and more productive day!

As a military spouse, mother and veteran, Melissa worked within recruiting but had aspirations of establishing her own business. As a habitual coffee drinker, the opportunity to provide quality coffee presented itself. Melissa started her business in January of 2021 and is currently building her strong foundation so her business will thrive.

**NICHOLAS KAMINSKI, MARINE CORPS**

**HICKORY TREE FARM APIARIES LLC:** A veteran and family owned sustainable Honey Bee farm. We produce superior queen bees as well as zero waste home products to help save the bees and the planet.

After 12 years in the Marine Corps, Nick moved back to his home state of Michigan to rejuvenate the dormant family farm. He and wife, Nicole decided on honeybees as their livestock and from there it expanded to raising queen bees, creating natural and sustainable products that will help educate people about the plight of the honeybee and help everyone live a more eco-conscious lifestyle.

**RICHARD GOERLING, COAST GUARD, MILITARY FAMILY MEMBER**

**MINDFUL BADGE LLC:** An organization that provides skills training in mindfulness to operators and leaders in the first responder community. We seek to offer tools for transformation to police leaders to enhance police officer health, humanity and performance as well as to create new opportunities for authentic community engagement.

Richard Goerling is a certified mindfulness trainer, a retired police lieutenant, and U.S. Coast Guard veteran who believes in your innate resilience, humanity, and capacity to show up and thrive amidst challenging circumstances.
