Exodus Consulting Group, LLC - I launched Exodus Consulting Group in October 2017, after many years of serving in Human Resources and Training roles. As a formerly disengaged leader, I know that employee engagement is critical to the success and profitability of any sized organization. Only about 1/3 of US workers are engaged at work. The other 2/3 of employees are disengaged, which is a $450B problem! Most of us have worked with disconnected and unconcerned employees that cost organizations a lot of money. Exodus works to increase collaboration and support employee engagement by building engaged, diverse, and inclusive workplace cultures.
