BUNKER LABS

J.P.Morgan | CHASE
SUPPORTING VETERAN AND MILITARY SPOUSE ENTREPRENEURS

Vision: A future where military service is a leading pathway to successful business ownership and entrepreneurship.

Mission: Bunker Labs is a national nonprofit that provides communities, programs, and courses that help veterans and military spouses start and grow successful businesses and startups.

OUR PROGRAMS

Veterans in Residence is a six month business incubator that provides veteran and military spouse entrepreneurs and business owners with co-working space, local community, a national business network, and targeted support to grow their business.

CEOCircle is a monthly peer accountability group for growth-stage companies looking to scale. Over the course of nine virtual huddles and four in person fly-in events, CEOs and executives can ask critical questions impacting their businesses today. Together, you’ll learn from your peers and national experts alike how to take your company to the next level. Additionally, CEOcircle members also gain access to dedicated liaisons and a 10-week advisor program powered by JPMorgan Chase.

The Ambassador Program is a dynamic 12-month program of entrepreneurial servant-leaders connecting military community business owners in the local entrepreneurial ecosystem. This volunteer role expands your professional network while supporting budding veteran-owned businesses in your community.

Breaking Barriers in Entrepreneurship is a virtual program that facilitates business growth and support within Asian, Black, Latinx, and female veteran and military spouse communities. The eight-week workshop is designed to create an immediate impact for early to growth-stage businesses by providing access to business tools, resources, capital opportunities, mentorship, and a stronger peer network.

OUR IMPACT

$1.79BN+ Revenue generated by participating startups
6,302+ Jobs created by participating startups
$294M+ Capital raised by participating startups

OUR COMMUNITY

• 58% of the community are service-disabled veterans
• 13% of the community are military spouses
• 7% of the community are active-duty military

OUR PARTNERS

JPMorgan Chase & Co., USAA, Macy’s, PwC, WeWork, MetLife Foundation, Coinbase, LinkedIn, eBay, Ford, Intuit, Mckinsey, CapitalOne, Deloitte, and more.
